FAMILY VINEYARDS

RIESLING 2023

One of only three noble white grape varieties globally. It has the smallest bunches and berries of all white varieties, thereby imparting immense flavour and concentration to the resultant wines. Added to this, is the distinction that few other white varieties are able to mature to their betterment, for decades, like the best global examples of Riesling are able to.

TASTING NOTE:

Pale straw with tinges of green, this wine opens with delicate aromas of lilies and a stony minerality. The palate is structured and balanced, offering mineral-driven flavours with subtle hints of apricot. Poised to develop beautifully over time.

FOOD SUGGESTIONS:

Vegan fried rice, sushi, grilled salmon with fresh ginger, coq au Riesling, or as an aperitif
